Risk assessment - Covid-19 – Plan and Prepare

Club Name: Eastside Rapids

Venue: Glencorse Barracks Astro Football Pitch

Date assessment was carried out: 16th January 2021

Assessment carried out by: Susan Thomson

Period till review: 1 Month

What are the hazards?	Who might be harmed ?	What are you already doing to control the risks?	What further action do you need to take to control the risks?	Who needs to carry out the action?	Date complete	Review
Lack of hand washing facilities leading to increased risk of spread of bacteria/virus	Coaches Players	Everyone reminded to wash hands Before and after training at home and use the sanitiser on arrival and exit at training.	Gel sanitiser provided by Kerr and Lauren at each session.	Susan Thomson Kerr Dodds Lauren Watters	16 Jan 2021	After a month
Cleaning practise increasing risk of bacterial/viral contamination.	Coaches Players	Robust general cleaning schedule – on arrival wipe all equipment and goal posts. After each training session. Wipes disposed in a bag and taken home.	Additional time between each training group to allow for cleaning.	Susan Thomson Kerr Dodds Lauren Watters	16 Jan 2021	After a month
Players forget social distancing measures	Coaches Players Parents/ carers	Ask parents/carers to remember to social distance with all other adults and wear masks if they can't.	Reducing the numbers of persons in any area to comply with the current Scottish Government guidance on social distancing. Stagger times to allow one group to leave training before the next group arrives Only one parent/carer to drop player off Parent/carer to remain in car or socially distance/wear masks away from the players.	Susan Thomson Kerr Dodds Lauren Watters	16 Jan 2021	After a month
Coaches/ players continuing to work/play if feeling unwell	Coaches Players	Hand washing before/after training Hand sanitiser on arrival and after each training session. Clean clothes on at each training session	If anyone becomes unwell with any of the identified symptoms of the Covid-19 virus will be sent home and advised to follow the self-isolation guidance from Scottish Government. Stay at home if present with any Covid-19 symptoms If one coach unwell training will be cancelled, no alternative will be arranged. Register will be taken and all records and contact details of all participants for each session are correct to aid test and protect.	Susan Thomson Kerr Dodds Lauren Watters	16 Jan 2021	After a month
Withdrawal of first aid to a person in need could put their life at risk.	Coaches Players	First aid box with coaches at all times PPE equipment available	Kerr and Lauren first aid trained. Strict hygiene protocols in place to try and be adhered to. It a minor incident – the player will be able to give themselves simple first aid with adult support. Parent will be contacted If serious incident PPE equipment will be worn.	Kerr Dodds Lauren Watters	16 Jan 2021	After a month
Maximum numbers/ session capacity allowing for social distancing	Coaches Players	Coaches consider numbers at training based on guidance from SYFA. 15 players per 1/3 pitch sessions only 45 minute long, minimum once a week, 2 coaches in attendance Players will be participating in non-contact activities.	Numbers based on space and in compliance with guidance from Scottish Government.	Kerr Dodds Lauren Watters	16 Jan 2021	After a month
Dog faeces, broken glass	Coaches Players	On arrival coaches check area and remove any contaminates, and sanitise hands	If any contaminates are found during play that have been missed, coaches immediately will remove carefully and sanitise.	Kerr Dodds Lauren Watters	16 Jan 2021	After a month
